

REMARKS/ARGUMENTS

This is a reply to the Office Communication dated December 10, 2007.

In the Notice of Non-Compliant Amendment dated December 10, 2007, the Office Communication indicates that the amendment of claim 6 included in applicants' response submitted September 24, 2007 did not indicate the addition of "woven" by underlining and the deletion of "films," by strikethrough. These errors are corrected in the above corrected amendment.

All of the remarks as set forth in the Amendment dated September 24, 2007 are incorporated in their entirety by reference herein and are not re-submitted since the remarks do not involve the "corrected section." With respect to the Examiner's Interview Summary mailed October 3, 2007, reference is made to applicants' Interview Summary included in their response submitted September 24, 2007.

It is believed that this application is in condition for allowance, and notice of such is respectfully requested.

If the Examiner believes that a teleconference would be useful in expediting the prosecution of this application, the official is kindly invited to contact applicants' representative of record indicated below.

Respectfully submitted,

/Ramon R. Hoch/
